BOOK SYNOPSIS

Unrivaled in its current coverage of topics, the thirteenth edition of best-selling *JUVENILE DELINQUENCY: THEORY, PRACTICE, AND LAW* provides an in-depth analysis of the theories of delinquency, environmental issues, juvenile justice issues, and the juvenile justice system. Praised both for its authority and balance as well as for the authors ability to engage students in the course, the book presents cutting-edge, seminal research, as well as up-to-the-minute policy and newsworthy examples. Siegel and Welsh offer a timely and objective presentation of juvenile delinquency theory and juvenile justice policy issues by examining opposing sides of controversial aspects of delinquency and delinquency programs in an unbiased way. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with video cases, career-based decision-making scenarios, visual summaries, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
