BOOK SYNOPSIS

International Bestseller Winner of the Best Japanese Crime Fiction of the Year Award “Already a bestseller in Japan and the U.K., this cinematic crime novel suffused with fascinating cultural details follows a police department reinvestigating a chilling kidnapping that stumped them 14 years earlier.” —Entertainment Weekly, The Must List THE NIGHTMARE NO PARENT COULD ENDURE. THE CASE NO DETECTIVE COULD SOLVE. THE TWIST NO READER COULD PREDICT. For five days, the parents of a seven-year-old Japanese schoolgirl sat and listened to the demands of their daughter’s kidnapper. They would never learn his identity. And they would never see their daughter alive again. Fourteen years later, the mystery remains unsolved. The police department’s press officer—Yoshinobu Mikami, a former detective who was involved in the original case and who is now himself the father of a missing daughter—is forced to revisit the botched investigation. The stigma of the case known as “Six Four” has never faded; the police’s failure remains a profound source of shame and an unending collective responsibility. Mikami does not aspire to solve the crime. He has worked in the department for his entire career, and while he has his own ambitions and loyalties, he is hoping simply to reach out to the victim’s family and to help finally put the notorious case to rest. But when he spots an anomaly in the files, he uncovers secrets he never could have imagined. He would never have even looked if he’d known what he would find. An award-winning phenomenon in its native Japan—more than a million copies sold, and the winner of the Best Japanese Crime Fiction of the Year award—and already a critically celebrated top-ten bestseller in the U.K., Hideo Yokoyama’s Six Four is an unforgettable novel by a literary master at the top of his form. It is a dark and riveting plunge into a crime, an investigation, and a culture like no other.

SIX FOUR A NOVEL - Are you looking for Ebook Six Four A Novel? You will be glad to know that right now Six Four A Novel is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Six Four A Novel may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Six Four A Novel and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Six Four A Novel. To get started finding Six Four A Novel, you are right to find our website which has a comprehensive collection of manuals listed.
