## BOOK SYNOPSIS

"The Chaos of Longing" is a prose and poetry collection draped in raw honesty, ache, and eroticism. The collection explores trauma, love, heartbreak, and the realizations from it all. The book is divided into four sections. "Inception" briefly examines formative years and its effects on how one loves. "Longing" reflects on love and sexuality. "Chaos" explores toxic relationships, unrequited love, and heartache. After chaos, there is order with self-love and healing poems in "epiphany." "Some content may be triggering."
