BOOK SYNOPSIS

What Our Bodies, Ourselves did for womens health, this complete reference guide by a highly respected dermatologist will do for skin. Written for adults of all ages and races, Total Skin offers information on the latest medical research, answers to commonly asked questions, and to questions you never thought you would need to ask. In addition, Dr. Leffell offers innovative action steps for targeted care, and includes interesting and informative sidebars. Total Skin promises to be the only general reference book by one of the countrys most highly respected dermatologists to go beyond beauty tips and miracle fixes. Accessible, informative, and written in the informal but authoritative tone of a trusted expert, Total Skin will stand beside other family medical reference books to provide accurate and up-to-date information on the most important, and least understood, part of the body.
