## BOOK SYNOPSIS

When a famous thespian is killed right before her eyes, New York detective Eve Dallas takes a new place in crime as both officer and witness to murder in this novel in the #1 New York Times bestselling In Death series. The opening night of the revival of Agatha Christies "Witness for the Prosecution" at New York's New Globe Theater turns from stage scene to crime scene when the leading man is stabbed to death right on center stage. Now Eve Dallas has a high-profile celebrity homicide on her hands. Not only is she lead detective, she's also a witness—and when the press discovers that her husband owns the theater, there's more media spotlight than either can handle. The only way out is to move fast. Question everyone and everything...and in the meantime, try to tell the difference between the truth—and really good acting... From the Paperback edition.
